General Zone Update

All clubs in the zone are healthy, active, and beginning to gear up for upcoming events and service activities. Clubs have been encouraged to collaborate and support one another, especially when additional help is needed for events or projects. Strengthening inter-club communication and cooperation remains a key priority.

Communication

I continue to share updates and important information from cabinet meetings and other district communications to ensure all clubs stay informed and aligned.

Reflection

As I reflect on my first year serving as Zone Chair, I can say it has been a very rewarding experience. I appreciate the opportunity to serve and would like to extend my sincere thanks to DG Sara for her support and for entrusting me with this role.
