Interested in making a Qualified Charitable Distribution from IRA?

Key 2026 Rules & Limits

- **Annual IRA QCD Limit:** Up to \$111,000 per taxpayer to eligible 501(c)(3) charities.
- **Age Requirement:** You must be at least **70 ½ years old** at the time you make the transfer.
- **Tax Benefit:** The QCD amount is excluded from your taxable income, which helps lower your Adjusted Gross Income (AGI) and will also be applied toward your Required Minimum Distributions (RMDs) without adding to your tax burden.

Eligible Accounts: Traditional IRAs, Rollover IRAs, and sometimes inactive SEP/SIMPLE IRAs. QCDs cannot be transferred to donor-advised funds or private foundations.

Request a QCD check from your IRA administrator and mail WITH THIS FORM.

Please note that this option is available for donations of \$500.00 or more.
