Youth Education Supporters

In Support of Marana Unified School District

Youth Education Supporters is a volunteer group of Marana residents who have come together to support the Marana Unified School District (MUSD), Student Services Department. The mission of the Student Services Department is to ensure that ALL students have an equal opportunity to succeed in school by removing barriers to achieving academic and personal excellence. To support their mission this group will employ community education and awareness of student needs to gain the financial support of the Marana community, companies in the greater Tucson area and appropriate foundations.

THANK YOU!
