

2024 BACKPACK DRIVE

Help Marana Students THRIVE

Marana Unified School District students will begin a new semester August 7th. With 43% of students in our district food insecure, not all families can afford school supplies for their children!

Youth Education Supporters is now raising funds to provide 1200 students new backpacks stuffed with all the necessary school supplies by August 1st. Your donation stays in your community and 100% goes to the children.

Every student should have the tools to succeed on DAY ONE !

“Children are the world’s most valuable resource and its best hope for the future.”

John F. Kennedy
