Deco Concentrator

- Oxygen purity up to 96%
- Oxygen concentration and flow monitoring
- Multiple safety alarms including power failure alarm
- LED display
- Continuous duty operation

Drive Silver Sport 2 Wheelchair

- Powder-coated silver vein steel frame
- Embossed vinyl upholstery is durable, lightweight, attractive and easy-to-clean
- Polyurethane tires mounted on composite wheels provide durability and low maintenance
- Dual axle provides easy transition of seat height from 19.5" to 17.5"
- 8" front casters are adjustable in three positions
- Padded armrests for comfort
- Carry pocket on backrest provides additional convenience
- Comes with swing-away footrests or elevating leg rests with tool-free adjustable length riggings
- Footrests include plastic foot plates with heel loops
- Push-to-lock wheel locks

Drive Rollator

- **Constructed of durable steel, the Travel Rollator is jam-packed with features to keep it a step ahead of the competition, including a 350 lb. weight capacity, small footprint for optimal shelf & storage space, & retail packaging to help your customers self-educate on product features & benefits. Introduce your customers to the perfect solution for maintaining their independence & mobility.**
- **Stay Independent & Mobile Wherever You Go**
- **Strong, durable steel frame supports up to 350 lb**
- **Ergonomic hand grip with easy to use loop-lock handbrakes provides comfort and control**
- **Push down on the handbrake to engage parking brake feature**
- **For a customized fit, easily adjust the handle height with self-threading knob**
- **Padded backrest provides additional support when in a seated position, and can be folded up or down, or removed entirely**
- **Padded seat allows you to take a break when needed and remain comfortable during periods of extended sitting**
- **Convenient storage pouch under seat for easy access to your personal items**
- **6" wheels are ideal for maneuvering both indoors and outdoors**
- **A compact and foldable design allows you to easily transport your rollator anywhere**
- **Quick and tool-free assembly**

Gel Cushion

- The Medicare approved General Use 2" gel-foam wheelchair cushion will provide comfort and support for the wheelchair bound patient
- High-Density foam encapsulates a viscous gel bladder that provides proper immersion and envelopment for pressure redistribution
- The cover is fluid resistant low-shear nylon zippered and removable with a durable vinyl bottom
- Carry handle included for convenient transport
- Product Dimensions: 18" (W) X 16" (D) X 2" (H)
- Meets flammability standard TB117

Trapeze Bar

- Heavy-gauge two-piece square steel tubing provides maximum support
- Mounts easily to metal frame headboards and fits most major manufacturers'
- Attractive brown-vein finish (Figure A)
- Easy-to-install without tools
- Easy-to-adjust height, length and horizontal position

Heavy Duty Suction Machine

- This powerful and durable suction pump combines the performance expected for an institution with the ease of operation needed for homecare use
- Includes 800 cc suction canister, 6' suction tube, 10" suction canister tubing, hydrophobic filter, plastic elbow connector and manual
- Vacuum levels up to 560 mmHg

Foam Cushion

- The Premier One General Use Foam cushion is designed to provide comfort and stability with a simple, economical design
- Aerated foam helps keep the user cool and dry
- The low-shear water-resistant stretch cover helps maintain sensitive skin integrity
- Convenient 12" tie straps secure the cushion to the wheelchair
- The waterproof vinyl bottom protects the wheelchair seat
- Meets flammability standard TB117

Electric Hospital Bed

- Low Deck height with flexibility to configure "roll at any height" or "roll at low height only" castor location
- -Roll at any Height: 14.81" (376mm) to 22.83" (580 mm) deck height
- -Roll at Low Height: 11.81 (300 mm) to 19.83" (504mm) deck height
- Quiet, convenient, full electric operation provides smooth position change w/easy-to-use Hand Pendant control of Head/Foot Section positioning and overall height of the bed frame for maximum comfort and versatility for the patient or caregiver
- Height-adjustment and Head/Foot deck motors come pre-installed on the foot section no assembly required
- In the event of power failure, top mounted Hi/Lo crank accessibility and manual crank motor override of sleep surface adjustments
- Easy-to-transport and set up, Bed ships in two cartons
- Channel frame construction provides superior strength and reduced weight
- Reinforced frame resists twisting and bending
- Long lasting Zinc-coated spring deck for Patient comfort
- Heavy-duty bed ends with durable HD Polyethylene Molded Bed End covers are attractive, easy-to-maintain
- Headboard is taller than footboard to blend with home dv@cor
- Labels and color-coded springs help ensure accurate installation of side rails for patient safety
- High performance workhorse muscle of the 3-motor power plant is an industry standard
- Half rails and full rails available in packages (PKG) or sold separately
- Motor is UL Approved, Bed is manufactured in ISO9001 &
- Satisfies applicable FDA entrapment guidelines
- Extension kit available (model #15005EXTKIT-L) extends length from 80" to 84"
- Patient Weight Capacity 350 lbs. (158kg). Total Weight Capacity 450 lbs. (204kg). Includes occupant, mattress, rails, trapeze, accessories, personal affects, etc.
- Auto-Contour raises the head and foot of bed simultaneously to help prevent lower back and sacral shearing induced pressure injuries, eliminating an extra step for caregivers and residents without the need to remember FOB elevations before HOB.
- Auto-contour may help prevent sacral shearing wounds by simultaneously elevating the head and foot bed sections so there's no sliding during position changes.
- Only homecare beds boasting auto-contour which allows patients to stay comfortably in place while being better positioned for reading, watching television, or talking to staff and visitors.

Overbed Table

- Walnut, wood grain low-pressure laminate top
- Table top can be raised or lowered in infinite positions between 28"- 45"
- It can be raised with slightest upward pressure
- Tabletop locks securely when height adjustment handle is released
- For proper assembly, do not remove bottom screw (Figure B)
- "H" base provides security and stability
- 2" swivel casters allow for easy maneuverability
- Silver Vein (Figure A) for (Model #13067) is easy-to-maintain and less institutional looking

Rose Adjustable Chair

- The DRIVE Chair with Caster Full Tilt and Recliner offers similar features but at a competitive, entry level price point. Perfect for the LTC facilities and rental companies looking for value product. When stacked against our competition, it is the only value priced product on the market with a 400lb weight capacity. The DRIVE Chair with Caster Full Tilt and Recliner will offer exceptional positioning and comfort over traditional wheel and geriatric chairs.
- 38 degrees of tilt- lever on the back left positioned easily for the caregiver to adjust
- Recline up to 90 degrees (trendelenburg). Recline lever is Red and located on the back Right
- Seat Width 20" and seat depth 20"
- Seat height adjusts from 17"-22" in 1" increments
- Leg rest: Elevating, length adjustable, lever in the back or side positioned easily for caregiver to adjust
- Footrest: Removable single flip up footrest with angle adjustable foot plate, need also secure so it does not get lost
- Wings: Adjustable Removable for Upper Lateral Support
- Casters: (2) Front 5" total lock (12.5 cm) Rear (1) 5" Directional locking & (1) 5" total lock caster (12.5 cm)
- Standard Padding: Headrest cushion, shoulder bolsters, lower side pads, upper side pads, seat and back pad with cover, calf pad, sole pad

Hydraulic Hoyer Lift

- Silver Vein steel construction
- 6 point Swivel Bar that can accommodate 2 or 4 sling straps plus 2 chain connections
- High-performance hydraulics raise or lower individuals gradually and safely from any stationary position
- Choose either 3" or 5" casters
- Adjustable-width base

Electric Hoyer Lift

- Heavy-gauge construction
- Jumbo actuator pump with emergency button can switch to manual mode to lower patient down safely
- Fast, easy charge from AC outlet Lift will not operate while plugged in For home-care use
- Battery does not need to be removed to be charged
- Audible warning when battery power falls below 50%

Low Air Loss Mattress

- Active mattress replacement system provides both alternating pressure and low air loss to optimize pressure redistribution, shear/friction reduction, and microclimate control
- Designed to prevent, treat and heal pressure ulcers in the home or long term care setting
- Control unit offers 10 minute cycles when alternating and can also be used in static mode
- Adjustable patient weight settings allow for optimal immersion and patient comfort & compliance
- Visual alarm alerts when air pressure is low
- System includes 20 individual air cells to maximize immersion and envelopment with pillow feature for head stability & comfort
- 8" deep air cells are easily removed for convenient servicing
- Removable Nylon cover is fluid resistant, low shear and vapor permeable helping protect the skin from friction and moisture
- CPR valve allows for rapid deflation
- Tubing quickly and easily disconnects with EZ Lock/Quick Release design

Memory Foam Mattress

- Durable high quality latex free polyurethane foam mattress for utmost comfort and support
- Non-slip bottom and 4 corner straps keep the mattress securely in place
- Two side carry handles make lifting and placement easier
- Compression technology creates a 14" x 14" x 37.5" box footprint creating convenience for transport and delivery
- PVC Polyurethane coated cover is fluid resistant, low shear and vapor permeable helping protect the skin from friction and moisture
- Meets flammability standard CFR 1632 and CFR 1633

Nebulizer

- A competitive edge price point for providers as one of the smallest compressor nebs at a mere 3.2 lbs
- Built-in neb kit holder for hands-free use
- Delivers consistent particle size of <5 microns and fast treatment times
- Complete with disposable neb kit, and optional reusable neb kit or pediatric aerosol mask
- Powerful piston pump is efficient, dependable and quiet
- CAUTION: Federal law restricts this device to sale by, or on the order of a licensed healthcare practitioner.

Shower Chair

- Easy, tool-free assembly of back, seat and legs
- Aluminum frame is lightweight, durable and corrosion proof
- New pinch-free cover allows for push pins to be depressed without pinching finger
- The audible "click" will be heard when secure
- Legs are height adjustable in 1" increments, and angled with suction-style tips to provide additional stability
- Support collar, prevents leg movement, and reduces rattle
- Made using recycled materials

Full Bed Rails

- Attractive brown-vein finish
- Constructed of 1" steel
- Telescopes with movement of bed
- Easily adjusts up or down with spring-loaded release
- Spring-loaded crossbars are easy-to-install and remove

Half Bed Rails

- Unique design prevents individuals from being lodged between bars
- Ideal for maximum protection when bed is elevated
- Fits most hospital beds with steel frame
- Attractive brown-vein finish is easy-to-maintain and less institutional looking
- Constructed of 1" steel
- Not for use with "Pan-Style" bed surface
- Easy-to-install

Portable E-Cylinder Cart

- Lightweight cart with silver vein finish can accommodate one "D", or "E" size cylinder
- Handle is adjustable to accommodate most individuals
- Large, composite wheels allow for easy, safe maneuvering
- Silver vein finish easy-to-maintain and less institutional looking
- Front fork provides additional support

Fall Mat

- Full 72" length provides maximum coverage alongside bed
- Tough and lightweight - Mats are constructed from high quality molded Polyurethane foam inner core (210kgs/cubic meter) to provide maximum absorption and rebound to reduce impact in the event of a fall
- Passed 5 foot "Egg Drop Test" - an egg was dropped from 5 feet above the mat without damage
- Low profile with tapered edges allow equipment such as overbed tables or patient lifts to roll over easily
- Anti-slip bottom netting keeps the mat secure to help prevent accidental tripping
- Embossed non-slip PVC leather look top is not only attractive but extremely durable and puncture resistant
- Non-slip pattern helps minimize slipping and is easy to clean with mild soap and water
- Available in two colors Brown & Gray

Wedge

- Designed to elevate and support the neck as well as help alleviate respiratory conditions
- Helps to relieve discomfort from back or neck pain and assists with poor circulation
- Great for sleeping with acid reflux or heartburn
- Cushion automatically expands to full size when removed from packaging
- Comfortable and durable foam construction
- Removable, machine-washable cover

Male Urinal

- Essential for anyone who has trouble getting out of bed
- Designed to prevent spills
- Sturdy grip for easy handling and can be used in several positions by the patient
- Lightweight, durable and easy-to-clean
- Graduation marks to measure output
- Can hold 32 oz
- Cap helps confine odors
- Retail packaged

Female Urinal

- **Essential for anyone who has trouble getting out of bed**
- **Designed to prevent spills**
- **Sturdy grip for easy handling and can be used in several positions by the patient**
- **Lightweight, durable and easy- to-clean**
- **Graduation marks to measure output**
- **Can hold 32 oz**
- **Retail packaged**

Walker

- Easy push-button mechanisms may be operated by fingers, palms or side of hand
- Each side operates independently to allow easy movement through narrow spaces and greater stability while standing
- Unique U-shaped frame design creates greater clearance
- The patient is able to bring the walker closer to assist in standing because of the improved crossframe
- Sturdy 1" diameter, aluminum construction ensures maximum strength while remaining lightweight

Transfer Bench

- Tool-free assembly of back, legs and arm
- A-frame construction provides stability
- Durable blow-molded plastic bench and backrest
- Height adjusts in ½" increments with unique "Dual Column" extension legs
- Reversible to accommodate any bathroom
- Pinch-free lever allows for push pins to be depressed without pinching fingers
- Made using recycled materials

Bedside Commode

- Easy, tool-free assembly
- Easily opens and folds for storage and transportation
- Durable plastic snap-on seat and lid
- Powder-coated steel-welded construction
- Plastic arms for added comfort
- Includes 7.5 qt commode bucket with carry handle, cover and splash shield
- Retail Packaged
- Made using recycled materials

Transport Chair

- Weighs 26 lb
- Attractive silver vein finish
- Available in 17" or 19" seat widths
- Back folds down for storage and transport
- Swing-away footrests come standard
- Padded armrests provide additional comfort
- 8" casters in front and rear
- Comes with attractive nylon upholstery that is durable and easy-to-clean
- Standard rear wheel locks
- Comes with upholstery handles to fold chair

Perimeter Mattress Cover

- The Defined Perimeter Mattress Cover creates a raised rail, defined perimeter for enhanced fall prevention, without using patient restraints
- Open in mid-section for safe and easy patient egress and ingress
- Built-in medium density foam bolsters safely and comfortably define edges of bed for patient and prevent falling
- Easy-to-install and secure
- Breathable Nylon makes this a truly universal cover, compatible with both foam and powered air surface

Bed Alarm

- Alerts care giver with audio alarm when patient gets out of a chair or bed
- Pressure-sensitive pad connects to the audio alarm
- The alarm comes with a safety alert, On/Off switch and low battery warning
- Comes with 9V Battery (Included)
