Too Good NOT to Be True”

Psalm 27: 1, 4, 7-8, 11, 13

God’s responses to David’s predicaments and a significant result:

- 1. When David encountered the enemy, he faced fear and anxiety, but he experienced strength and calm. (verses 1-3)
- 2. When David encountered the enemy, he faced trouble but he experienced shelter. (verses 4-6)
- 3. When David sensed the absence of God, he experienced the presence of God. (verses 7-10)
- 4. When David encountered false witnesses and oppression, he experienced the guidance of God. (verses 11-12)
- 5. As a result, David was confident of experiencing the goodness of God and learned patience. (verses 13-14)

In response to God’s goodness, we are to be good stewards of the good things He has given us.
