NEWSLETTER TRANSITIONS IMPORTANT NEWS

~Rev. Alan H. Beasley

Over the next month we want to make a transition with our monthly newsletter for several reasons including saving money. The newsletter serves the purpose of looking forward to upcoming events with information and a calendar. We realize a vast majority of people read news and events via some electronic delivery. The church can do the same. We already deliver most everything we have in the newsletter in our weekly email called the Midweek. The only exception is the Monthly Calendar which can be easily done via email as well. All this to say we want to transition as much as possible to electronic delivery of information that was in the newsletter. **HOWEVER**, if you would like to continue to receive a paper copy, all you have to do is contact Sheila in the office and let her know you want a paper copy and she will make sure you receive one. Just call the church office, 256-383-2853, or email her, sheilataylor@tuscumbiafmc.org and your name will be added to the mailout list. We will be creating this list over time but please let her know as soon as possible if you want on that list.

The calendar and a brief description of upcoming events will be mailed to you. **ADDITIONALLY**, if you do not currently receive the Midweek or my daily devotion, please send Sheila your email address so that we can get you on the email mailing list to receive the Midweek. The Midweek will become the go-to source of information, as well as our website and church app. I believe this transition will allow us to become more efficient with time in the office and will be a significant cost savings as well. But it requires your response if you want a paper copy of the newsletter or to be added to the email mailing list.

Thanks in advance for your understanding and cooperation.
