

RESTORATION RANCH
A Division of Mission Teens, Inc.

Tuscumbia, Alabama

Ministry Focus: Restoration Ranch is an 8-to-10-month residential Christian Discipleship Program for people with drug, alcohol, and emotional issues. It is a faith-based ministry, which combines residential provision and spiritual growth. The gospel is presented by different pastors or other individuals, who teach the word throughout the program. There are four phases to the program, Probationary, Trainee, Resident, and Trainee Counselor. Restoration Ranch is a non-denominational Faith-run ministry. They do not receive any government or denominational funding. They operate by donations, as God puts it on individual hearts to donate. There is no charge for residents to be involved in the program. It was the founder's vision that the program would be free of charge because the Gospel is free! Praise God that the program has been free of charge to the residents for over 40 years! Restoration Ranch is located in Tuscumbia, Alabama, and it has been in existence since 1985

Shoals Sav-A-Life

Ministry Description:

For 30 years Shoals Sav-A-Life, your local crisis pregnancy center, has been the voice for “Life” in the Shoals, providing the following services free of charge to the residents of Colbert, Lauderdale, and Franklin counties: pregnancy tests, STI testing, ultrasound, “Preparing for Baby” parenting skills classes, adoption education/referrals, Sexual Risk Avoidance education (SRA), and post abortion recovery classes. All of our services are based on the premise that every life is created by God in His image with value and a unique purpose in mind. We make it our mission to encourage every woman to choose life for her child and to be the support and encouragement she needs throughout the pregnancy and beyond.

Prayer Needs:

- Thank God for His work through Danielle and the staff of Shoals Sav-A-Life
- Pray for the clients as many are struggling with providing basic necessities for themselves and their babies.
- Please pray for the hearts of each client in this upcoming year to be prepared and open to hearing about Christ’s love and His plan for their life and the life of their child.
- Please pray for more opportunities for outreach on college campuses. The college campus age group is the most abortion vulnerable.
