

Onward Auburn Campus Ministry

John Sasser

Ministry Focus:

Onward is a relatively new campus ministry which focuses on life-time, gospel centered, relationships. Our focus revolves around the gospel of Christ affecting the lives of college students in a way that will transform them for a lifetime. This means that the gospel would change their lives in a way that would one day make these students better family members, workers, church members, and citizens. Our strategy is to reach college students through relationships which we form through one-on-one meetings and small groups. Onward has had great success since its beginning and there is excitement about the future. Please pray for the whole Onward staff and student leadership. The Lord has been moving in Auburn through Onward!

Prayer Needs:

- **Weekly Meetings.** Every Tuesday we meet in Langdon Hall to study Scripture and continue meaningful connections and conversations.
- **Small Groups** and discipleship continue to be the heartbeat of the ministry. Pray that the conversations and relationships built during these meetings lead to transformation in everyday life.
- **Spring Break Trips.** Pray for safety and the work of God in the lives of students who serve on our trips and those who are served in these places.
- Students to grow through Bible studies and boldness to reach their friends with the gospel.

Reach A Village

China, Southeast Asia, Eurasia

Robert Craft

Ministry Focus:

We seek to find and reach villages with the Gospel which have no churches, missionaries or believers. We do not send missionaries from America, but rely on indigenous, local partners in the country to reach areas of their country where the Gospel has not gone and that foreign missionaries will probably never reach. We help local believers be able to accomplish that mission through biblical equipping, training and building their ministry capacity for outreach and multiplication. We believe that our mission strategy is the most effective and efficient way to fulfill the great commission in villages that have remained unreached and untouched by previous mission efforts.

Prayer Needs:

- Health and safety of workers is always a priority because of the rugged, or resistant or hostile environments of many of our workers as they reach into unreached areas of their countries. Especially those in ministry in countries currently at war, civil war or experiencing famine or natural disasters.
- Pray for the printing and transport of Scriptures into the countryside to new believers for their growth and the establishment of the new churches
- Continuing need for Bibles and materials for the evangelists reaching new villages.
- Pray for the wars to end in Myanmar and Ukraine.
- Continued need for funding for training events for church planters and evangelists that are going into new villages with the Gospel.
- Pray for open doors back into the country of Vietnam.
