

“New Room” – A Great Event to Consider

Rev. Alan H. Beasley

New Room is a conference centered around spiritual renewal in people’s hearts and lives and awakening in the church. I have attended for many years and rarely miss. We had six ladies besides myself and Lori attended last year and we all agree it continues to be a very special event. The conference will be in Montgomery again this year at Frazer Church and the dates are Wednesday, September 30, through Friday, October 2, 2026.

I am taking our program staff this year and those six ladies who attended last year are committed and they are adding four friends to their number.

This year I ordered a block of tickets when they were sold at their cheapest rates. I have 10 tickets available, first come, first serve. The price of the tickets are \$250. The total cost of the trip will also involve two nights in a motel and meals during travel and evening meals. We will be carrying the church van and the church will cover that cost. We will work out other arrangement for travel when the van fills up.

I hope you will consider going if you are looking for this type of event to renew your spiritual life. You will join about 1,200 new friends in Montgomery. If you are interested let me know or if you have any questions I will be glad to answer them. The New Room website is <https://seedbed.com/newroomconference2026/>. Below is taken from the website.

At New Room Conference, we come together first and foremost to meet with God. We pray—not just for ourselves, but for a great awakening that stirs hearts and changes the world.

We connect with each other in deep and meaningful ways, sharing testimonies of God’s faithfulness that inspire, challenge, and build us up. In these moments, you’ll see how He’s moving, not just in your life but in the lives of those walking alongside you.

We laugh and grow together in breakout sessions that spark joy, ignite creativity, and plant seeds of transformation. These are moments where the Spirit moves in unexpected ways—sometimes through laughter, sometimes through tears, and always through connection.

And we worship together. Oh, how we worship! Voices raised, hearts aligned, Spirit flowing. It’s a glimpse of heaven, a powerful reminder that we are a people of the Word and the Spirit, bound together in the love of God.

So come ready to pray. Come ready to share. Come ready to laugh, worship, and connect. Let’s sow together for the great awakening God has in store.
