

Life for Children Ministry

Michael O Agwanda

Kenya

Ministry Focus:

Life for Children Ministry cares for orphans of HIV/AIDs and vulnerable children, providing shelter, parental love, food, education, healthcare and spiritual nourishment. The focus is to educate orphans and provide all their needs. To date, over 500 orphans have been educated. Life for Children serves in Kenya and within the counties of Kisii, Homa Bay, Kisumu, Siaya, Nandi and Migori. Over 100 homeless children are fed every week, also receiving faith-based activities. This ministry has also served over 1500 women, mostly widows, by helping them establish small businesses through loans. This has enabled them to feed their families and provided much needed dignity. The ministry has also provided clean water to over 5000 people. They have built a church and planted 5 more. The ministry has built a school with over 400 children and has offices for the operation of the ministry in Kisumu. This has been made possible through partnerships with sponsors and churches who give towards the ministry.

Prayer Needs:

- Please pray for more donors to sponsor orphans in the coming year with Life for Children Ministry.
- Pray that my family and I will get a USA religious visa to visit USA.
- Pray that the Lord will provide for all the needs for Life for Children Ministry in the upcoming year.
- Pray for the orphans, guardians, board members and the staff of Life for Children Ministry.
- Give praise for the VBS program and the opportunity to share Christ with over 250 children.

LOVE Packages

Jason Jenkins

Global

Ministry Focus:

Love Packages ships 1,500 tons of Christian literature annually all over the world. This is enough for 60 million people! Statistics reveal that every piece of literature will be read by an average of 20 people. Each container has at least 1 million pieces, so the potential is to reach 20 million people every time a container is shipped. The literature includes used/new Bibles, books, and Sunday School material. The literature is donated by people like you, and then Love Packages ships huge containers to their destination. Love Packages has shipped to 141 nations! Their vision is simple: Love Packages wants to see all of our excess, the materials that are being wasted, placed on the mission fields of the world.

A box is located across from the elevator on the basement floor where you can put Christian material.

Prayer Needs:

- Thank God for what He is doing through Jason and Love Packages
- Please pray for trusted people to ship the literature overseas and experienced workers in clearing containers abroad.
- Please pray for continued resources to help with the costs of shipping the containers, each cost \$5000.
- Please pray for a way for Love Packages to acquire a larger space or land to build a new and larger warehouse.
