

Welcome to the Global Impact Celebration Daily Prayer Guide

Each weekday between Monday, January 23rd and February 10th, we will pray for our Mission Partners and events from our GIC. The Guide will contain information on a couple of our Mission Partners or Potential Partners. Each of the partners has given us some prayer request, which you are asked to lift in prayer. In addition to the Mission Partners, there will be some days in which you will lift up one of the events of the Global Impact Celebration.

How to use the daily guide:

- Begin by focusing on God. You might read some scriptures and give thanks for the opportunity of communicating with God.
- Ask God to pour out His Spirit upon the Global Impact Celebration.
- Take a moment to read about the Mission Partners in this email and lift the mission in prayer.
- Then spend time lifting in prayer the request from the mission partners.

Shoals Sav-A-Life

Ministry Description:

For 29 years Shoals Sav-A-Life, your local crisis pregnancy center, has been the voice for “Life” in the Shoals, providing the following services free of charge to the residents of Colbert, Lauderdale, and Franklin counties: pregnancy tests, STI testing, ultrasound, “Preparing for Baby” parenting skills classes, adoption education/referrals, Sexual Risk Avoidance education (SRA), and post abortion recovery classes. All of our services are based on the premise that every life is created by God in His image with value and a unique purpose in mind. We make it our mission to encourage every woman to choose life for her child and to be the support and encouragement she needs throughout the pregnancy and beyond.

Prayer Needs:

- Thank God for His work through Danielle and the staff of Shoals Sav-A-Life.
- Pray for the ministry as they seek to expand their reach and ministry exposure in Franklin County by blessing the growth of the parenting class program in the Franklin County location.
- Please pray for the hearts of each client in 2023 to be prepared and open to hearing about Christ’s love and His plan for their life and the life of their child.
- Please pray for our state legislators and pro-life legislation that will support our efforts and protect the lives of the unborn. With the over-turn of Roe returning this issue back to the states, it is more important than ever for our state-elected officials to be bold in protecting the most vulnerable lives!
- Please pray for more opportunities for outreach on college campuses. The college campus age group is the most abortion vulnerable.

FAR EAST BROADCASTING COMPANY

MISSION:

Far East Broadcasting Company's primary emphasis is providing Gospel radio broadcasts to the unreached in closed countries who have no other means of hearing the Good News. Our ministry is primarily "behind the scenes." As a broadcast engineer, I provide technical support including engineering design, maintenance, and troubleshooting for FEBC's radio stations located throughout Asia and Africa.

FEBC broadcasts are heard in 145 languages and 50 countries around the world aired from 149 stations and transmitters, totaling 1,571 hours of programming a day/365 days a year. FEBC also uses "new media" such as internet podcasts, online streaming, smartphone apps, and social media. But numbers only tell part of the story. Far more important are the lives impacted by our global radio network that shares the Good News of Jesus Christ with a potential listening audience of 4 billion people. We know listeners are tuning in, because of the many text messages, emails, phone calls, letters and visits we receive. Last year alone, we received over 148 million listener engagements and responses to the Gospel. (From <https://www.febc.org/>)
