

Welcome to the Global Impact Celebration Daily Prayer Guide

Each weekday between Monday, January 23rd and February 10th, we will pray for our Mission Partners and events from our GIC. The Guide will contain information on a couple of our Mission Partners or Potential Partners. Each of the partners has given us some prayer request, which you are asked to lift in prayer. In addition to the Mission Partners, there will be some days in which you will lift up one of the events of the Global Impact Celebration.

How to use the daily guide:

- Begin by focusing on God. You might read some scriptures and give thanks for the opportunity of communicating with God.
- Ask God to pour out His Spirit upon the Global Impact Celebration.
- Take a moment to read about the Mission Partners in this email and lift the mission in prayer.
- Then spend time lifting in prayer the request from the mission partners.

Sidney's Safe Foundation

Sarah Jennifer Carson Thompson

Ministry Focus:

During the school year bags of food are sent home with hungry children every single Friday! Most of these children would go hungry during the weekend considering the only meals they receive are the ones they eat at school! "Sidney's Safe!" Foundation sends home extra food during the Holidays/school breaks. They also feed children during the summer. During the school year this foundation feeds over 300 children every Friday. That's about 4500 food items a week, at a cost of over \$1,000.00 a week. Children are added weekly.

Have you ever been truly hungry and you did not know where your next bite would come from? When you help "Sidney's Safe!" Foundation feed hungry children in our community, you are planting seeds of God's unconditional love in children and adults. Most of the children served have a parent or parents that are mentally ill, an addict, or in a physically abusive relationship. These children witness unimaginable things every day. Hunger is the last thing they need to worry about. You are changing lives by donating a jar of peanut butter. The fact that a stranger cared enough to help may change their entire lives one day. We just don't realize what this actually means to them. We pray because of these bags they come to know Jesus Christ!

Other representatives: Jenny Mitchell, Sandra Honey, Bailey Stanfield, Chris Russell

Prayer Needs:

- Thank God for his work through the foundation.
- Please pray for the children that go hungry every night. Most of the children that receive our food bags every Friday have nothing else to eat for the entire weekend.
- Please pray for God's mercies for donations, monetary or food items.
- Please also pray for our national government leaders and shutdown. Shutdown has the potential to impact innocent children who depend upon food stamps and free lunches to eat.

Youth With A Mission

Ethiopia

Brooke Jackson

Ministry Focus:

My focus is on sharing the gospel with unreached people groups in east Africa, specifically the borders of Ethiopia, South Sudan, and Somalia through evangelism, discipleship and disciple-making movement groups. My passion is also advocating for marginalized women and children.

Prayer Needs:

- For God to go before us to the different areas that we are working in within Ethiopia and East Africa and prepare the hearts of the people for the good news of the gospel.
- That there would be lasting change in the communities we work with because of the gospel. That Disciple Making Movements would continue to grow and spread. That they would know us by our love, the truth would set them free, and God would build his church.
- God would give me vision and strategy for my passion for empowering local women. (Specifically, how to love, serve, disciple, and empower those who are marginalized and who have been begging on the streets, affected by war, and involved in trafficking.)
- God to provide us with stable housing and transportation.
- For many people in Ethiopia (and beyond) to hear and receive the full gospel and to live
- in relationship with God and in the abundant life Jesus gives us.
- Our ministry with women would grow and many women would have jobs, housing, medical care and know the deep love and healing of God.
