

## Hope and Light Association Ministry

Laurentiu Grigore Timis  
*Romania*

### **Ministry Focus:**

The Hope and Light Association brings the Gospel to those that do not know Christ personally by using different means such as church programs, camps, VBS, social work, counseling, teaching, discipling, and helping others in any way possible. Hope and Light ministry reaches people from a variety of social rankings. There are a variety of groups ranging from elderly people to adults and children, orphans, and regular families to street people. Laurentiu began his ministry during his university years by organizing youth camps and activities with orphaned children. Upon graduating from University in 2000, he began his pastoral ministry. His current assigned mission is to bring the Gospel to as many people as possible through church planting, pastoring and strengthening churches. He also does social work (especially with children and elderly people) as president of an organization. Location: City of Timisoara, villages: Varias, Comlosu Mare, Vizejdia and more.

### **Prayer Needs:**

- Thank God for His work through Laurentiu and his ministries. Ask God to bless Laurentiu, his family, and his work.
- Pray for God to have power in the mission and for His gospel to be proclaimed.
- Please pray for Eclesia, the church in which he serves, to grow numerically and spiritually.
- Please pray for the spiritual and physical health of the children from the orphanage.
- Please pray for financial support for our three missionaries.

## Leadership of our Global Impact Celebration

Under the leadership of Celia Rudolph and Cathy Davis, a huge undertaking will unfold the weekend of February 6-8, 2026. This weekend and our Faith Promise Missions offering resulting from your generosity helps define who we are as a church. We are a church which values missions and understands what it means to go into all the world with the gospel.

In order for this weekend to have its greatest impact, there are about 16 areas of responsibility from meals to housing to worship. Please pray for the large number of volunteers who invest many hours to cover all these areas. Pray for Celia and Cathy as they lead.

## Two Other Ministries Faith Promise Supports

**Volunteer Mission Teams** – On occasion we send our volunteers who will do mission work to help in situations where extra hands and feet are needed. These are usually on an “as needed” basis but also include planned Mission Teams which go around the world to serve the Kingdom. Pray that we will be willing when the need arises.

**Disaster Relief** – When disaster strikes, often going as a mission team is unrealistic but sending funds to help support those who can and buy supplies is very much needed. We have a rich history of supporting disasters, whether locally, nationally, or internationally. In recent

years you are familiar with the horror of flooding in both North Carolina and Texas as a result of natural weather disasters. We responded well and offered much needed help and prayer. Pray that we will continue to be generous when disaster strikes.
