HEALTH INSURANCE - EASY AS O.P.A.

Good questions to ask when buying health insurance.

- **O**UT OF POCKET - How much do I pay if I need Healthcare?
- **P**REMIUM - How much is my cost for Health Insurance?
- **A**CCESS - Where can I go when I need Healthcare?

By answering these questions for yourself or family you will obtain the needed information to help pick the best plan for your health insurance needs and budget.

I hope this helps.

Respectfully,
