„EVERYTHING STARTED WITH A DREAM ...“

... shared by people with the same passion for flying. Founded in 2007, GlobeAir is now setting the benchmark in private jet charter services all around Europe. The successful recognition of its famous call sign marking more than a decade of flights performed under the visionary name of “DreamTeam”. The team today comprises 32 different nationalities and is an excellent example of a well functioning international team with a motivated crew.

Bernhard Fragner, CEO

MY PRIVATE JET

With over 50 % of the market share, GlobeAir is Europe's leader within the sector of very light jets. GlobeAir is available 24/7 all over Europe with 21 private jets connecting European capitals like **London City, Geneva, Zurich, Paris, Nice, Munich, Milan** with small airfields such as **St. Moritz, Lugano, Salerno and 974 more.** As such, GlobeAir takes its responsibility towards Climate very seriously and is ready to propose an innovative way to tackle CO2 emissions: by changing PERCEPTION.

Liverpool 2 credits will be considered

FLY YOUR WAY...

...with the Climate Jet Club Card.

Our aim is to make our members use aircraft that fit their needs so that it least impacts the Environment.

By becoming a member of our Club, you commit a CO₂ allowance, based on your flying preferences.

Climate change and climate action are at the heart of many discussions, and we, as community leaders, cannot ignore the immense role we can play in mitigating Global Warming.

The Climate Jet Card is a way to raise our awareness and willingness to affect change.

JetCard Manager

About the Club

Founded in 2021, the Climate Jet Club finds its relevance in a post COVID booming industry and in a new CO₂ -conscious era.

The Club is about changing how people perceive private aviation and use it.

Your flights are labelled « carbon neutral », and you can prove your commitment to our Planet by including the #DreamTeam For Climate Jet Club Label on your marketing material.
