Doncaster 10k

Road Closures

Important Information for Residents & Businesses

Sunday 29th November 2026

Event Start Time 10:00 Starting and Finishing at Doncaster Racecourse

We're pleased to be bringing 3750 runners for the Eighth year, to the streets of Doncaster City
Through the event we aim to:

"Inspire Activity" - *Provide opportunities for activity, promoting local activities, supporting local groups as well as helping to remove barriers to exercise.*

"Promote Doncaster" – We want people to view Doncaster more positively! To see *a Doncaster rich with leisure opportunities with a physically active population.*

"Sense of Community" - *Discover a new activity, a club or simply create an occasion to come out and have a brew with your neighbour as the runners go past!*

…You can also Get Involved – *Volunteer, fundraise or showcase your community, school, club or business on the route.*

In accordance with Doncaster Metropolitan Borough Council (being the Highway Authority) an order has been made prohibiting and restricting the use of certain roads and road junctions by vehicles in order to facilitate the safe holding of the Doncaster 10k. A full list of road closures, including approximate times, is provided overleaf.
We're aware that this event may cause some disruption from your normal routine and we would like to apologise in advance for any inconvenience caused and thank you for your support of the event.

We know the positive impact major running events can have on the local population and you may find it inspires you to get involved or encourage you to be more active 😊

If you have any queries or would like more information, please visit our webpage www.doncaster10k.co.uk If you have a query that can't be answered by the above, please find our contact details via the website.

Danum Road / Roman Road / Hall Cross Hill	*07:00-11:00 closed at junctions with Bennetthorpe / South Parade*

Take care – Our best advice for the day is plan ahead if you're going out. Some areas will not be able to have vehicle access. If you're local please come out, chat to the neighbours and cheer thousands of runners coming past. Many are running for charity, the event directly supports The Doncaster Deaf Trust, The Children's Air Ambulance and Bluebell Wood Children's Hospice. For some it's their first ever 10k run some will be running, jogging, walking and wheeling their way around so please show them the Doncaster Spirit! (you may even spot a bear at the back!)

Take care and thank you for your support , Curly's
