

# THE DONCASTER CITY 10K

## 30th November 2025

**Doncaster Deaf Trust**  
A National Centre of Excellence

Hi Runners, we are very excited to be back for the 2025 Doncaster City 10k!

The event filled this year at some point in September with 3500 athletes all ready for a spot of Doncaster running!... thanks as always for your support it's truly special seeing so many people doing what they love and running around Doncaster City!

Once again, we are at the amazing venue of Doncaster Racecourse, and with an excellent course around the centre of Doncaster. The Team at the Racecourse, and Doncaster Council have been incredibly supportive in making this happen, so a huge thank you to those guys! You're also likely to see many of them on the course running alongside you!

At Curly's, our goal is to promote an active lifestyle, through providing people with inspirational, fun, great value and high quality, physically challenging events. We know the benefits of this to individuals and community are huge; both in terms of physical and mental well-being.

If you would like to look for your next challenge, or find out more about Curly's Athletes, then pop along to our website: <http://www.curlysathletes.co.uk> or Facebook page: <https://www.facebook.com/curlysathletes/>

# Parking & bags!

**BAGS:** We are planning to have bag drop facility for 2025 (donation of £1 to Bluebell Wood for this, so remember your £1) Please note we continue to keep connected to ongoing security announcements, so watch our social media updates for any additional bag protocols we may need to implement on the day or if the bag drop is removed we will let you know. **DO NOT leave bags laying around the racecourse**, assume they will be destroyed and these may cause disruption to the event.

**If you can please don't bring bags in with you**, leave bags etc in your vehicles / with a spectator and if you do need to bring a bag then please minimise the size of bag you bring. It's not a quick process as we do need to plan to search every bag that comes into the venue

## PARKING & ARRIVING:

**Road closures in front of the race course will commence from 09:15. The town centre will begin to be closed from 07:00**, so please ensure you have planned your route.. Please use the pedestrian crossing on getting to the Racecourse.

Don't attempt to come through the town centre to the race course, enter from the west, east or south.

Roads in front of the racecourse will be open from 12:00 around the racecourse, you can leave the main car park from around 11:00, but it will be busy, so maybe hang around and enjoy the atmosphere. The car park off Sandall Beat Road no exit will be available until 12:00 (rear of racecourse)

Leave plenty of time to arrive as road closures will hinder your journey in. Leaving the main car park will take some time for everyone to depart as we still have runners out on the route until 12:00.

**We recommend parking over towards the VUE cinema** (please check for restrictions), **its a 10 min walk but we do have a huge inside venue to keep warm in and loads of toilets. Or park at the back of the racecourse, exit from this is after 12:00.** Please avoid parking on residential streets.

- **Main 'busy' race course car park postcode: DN2 6BB** (once this fills you are directed to the overflow at rear of race course, exit from this area is only after the final runner has entered the race course around 12:00)
- **Rear of racecourse car park postcode: DN2 6JP** (quieter but no exit until 12:00)
- **VUE cinema area public car park postcode: DN4 7FW** (check for parking restrictions near the food outlets and Asda)

## RUNNERS ACCESS FOR SUNDAY

## Registration & t-shirts

We're posting out all the numbers from three weeks out from the event (we print all names / horse names on the number 4 weeks out) read on for what to do if you don't receive them or for those that entered later how you go about collecting them :)

If you ordered / transferred your number after the 2nd of November you may need to collect the number on event weekend as that was our postage cut off. Please keep an eye out for communications.

Should you have a number and decide not to run on the day / receive a number and have cancelled / transferred please do not use the number, do not be tempted to give it to someone to ruin in. This causes us major safety concerns, voids results and we will reclaim any financial element if required.

Please get in touch if you haven't received a race number by the Thursday before race weekend:  
[contact@curlysathletes.co.uk](mailto:contact@curlysathletes.co.uk)

**Saturday 'free & easy' registration,** Thanks to our chums at the Hilton Hotel (right next to the racecourse) you can pop and see us on the Saturday 12:00-14:00. You can pick up your t-shirt, check out the shop grab any emergency numbers and ask us questions about the day :)

**Sunday registration: 08:00 onwards,** you can collect your t-shirt after the event or before :) We recommend collecting your t-shirt after the event :)

The team are based inside the race course (on the ground floor) and accessed via the main entrance through the glass doors. It will be very obvious in the main area downstairs (and will be signposted)

Keep your number safe, and bring your number on the day. **DO NOT PIERCE THE FOAM TIMING CHIP.** You must notify us ahead of the day about any missing numbers or you may not be able to take part (we do not have spares!)

We have very few spare t-shirts for sale on the day, but we strongly recommend pre-ordering for future as we limit the amount we bring :)

Spare t-shirts on the day are priced at £11.00. (or £15.00 for a very small supply of long sleeved tops :)

**RACE HORSE NAME** - We ask for this when you sign up ... this is what we print on the front of the race number (providing you make the number print cut off the end of October) so be careful what you write (and we do check / edit anything rude :) ) ... if you leave it blank then we populate it with your first name. If you enter after our print cut off then it will be blank :(

## Curly's Shop!

OUR NEW SHOP THAT DOES 'GOOD THINGS' will also be popping up at registration or you can order online and pick up on the day :) [www.runninggifts.com](http://www.runninggifts.com)

Wouldn't it be wonderful if the kit we bought to get active also helped others get active - by buying this kit, you'll help us make a start in 'moving with purpose'. When you buy lovely things from us, you're creating micro-grants that help people get active. These are focussed on the local area based on where you collect, but the item from or have the item delivered to (delivery options coming soon!)

When you buy something from us, 10% of the price you pay goes directly into our micro-grants. Which we award locally x We're starting with a specially designed hoodie, a snuggly bobble hat and our snood :)

# Event day timings

- 08:00 t-shirt collection, bag drop and emergency pre-arranged race number collection opens
- 09:30 t-shirt collection closes - t-shirts will then be available to collect after you've finished
- 09:40 The short walk - we will begin moving/encouraging/dragging people to the start line, which is up towards the rear of the race course (around 200 metres down from the race course). Please position yourself where you feel you may finish, you will notice pacers with flags and some pacing boards indicating finish times :)
- 09:55 Race 'ready to go shout' - The main brief will be via video, ahead of race day, so make sure you tune in. In the morning we will share any emergency announcements via the various PA system if needed.
- 10:00 Event starts 'bang'
- 10:30-32 (est) First finisher
- 11:30-12:00 (est) All finishers in & prize giving, thank yous and well done's! - This will be in front of the finish line, so please grab a brew & cheer your fellow runners in. NOTE!, we have trophies for the winners in each five year age groups, so do check the live results before you scoot home.

# Well-being

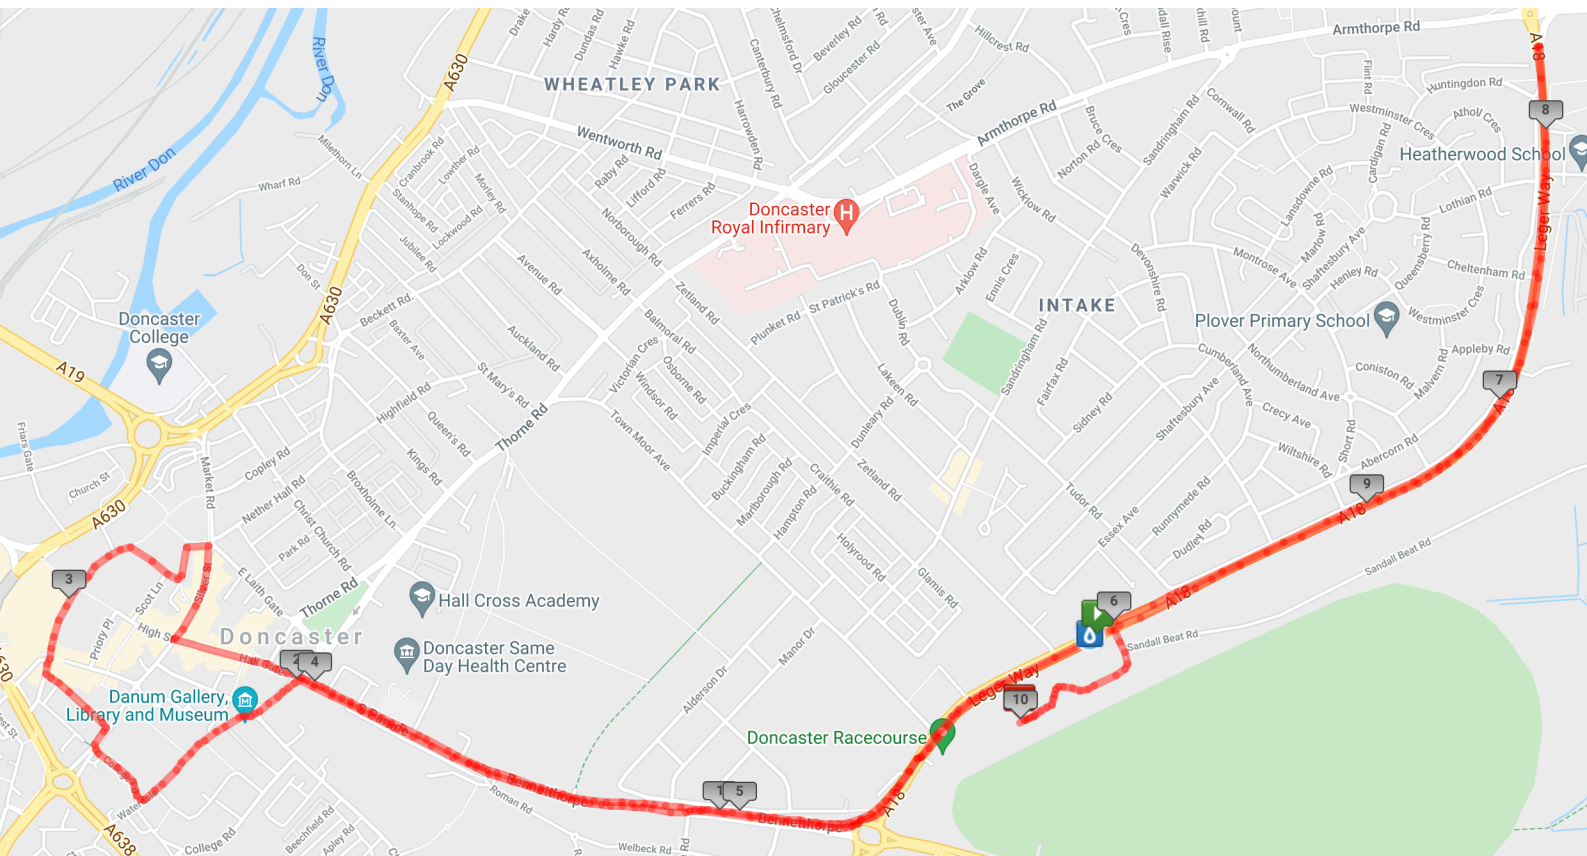

- **Medics**—our expert medical team will be on hand throughout the event, based on the course, in a sweeper ambulance and at the finish. If you feel unwell or injured, then it's your responsibility to make sure you withdraw from the event—please don't put yourself at risk. For top tips visit <http://www.runnersmedicalresource.com/en/>
- **Road closures**—whilst the roads are closed for the event, emergency vehicles may still access them, so please be alert to warnings from Marshals. Choosing to ignore instructions may result in injury to yourself, or other runners. **nb: the roads will be e-opened at 12:00. For runners out on the main course after this time, we may request they move to the paths and be escorted to the finish :) ... but don't worry, everyone gets to finish!**
- **Dress for the weather & bag drop**, please ensure you dress appropriately for the weather conditions, and always bring a change of clothes for after the event. Our friends from Bluebell Wood Children's Hospice will be manning the bag drop (an optional donation of £1 is requested) If possible please leave your belongings in the car, or with a spectator (ideally one you know!) As bag searches are in place, so minimise bag size and where possible don't bring a bag. Any security changes to the bag drop we will announce if needed ahead of the day. **DO NOT LEAVE BAGS LAYING AROUND**
- **Water**—The aid station, is just before the 6k mark and with compostable cups (not bottles).. At the end of the event, we also have water for you. This is in bottles, whilst we work on a greener solution that can keep you hydrated. Please pop in the correct recycle bin :) (we're just not quite ready for 3500 people with our green solution... we're ok to 1500, so we're getting there!)
- **Rubbish**—if you decide to run with your own water bottle or gel, please ensure you bring everything away with you that you take onto the course. We will disqualify anyone for littering, but more importantly, we want to make a good impression on the community, and minimise environmental impact for our animal friends

# Maps & Route!

We've attached a map of the route, with key areas highlighted and a short walkthrough guide. It will be easy to navigate, as it's sectioned off and led out by a lead vehicle, a safety vehicle & lead bikes- so you shouldn't get lost! We will also have support vehicles and team members following the event. The Doncaster City 10k is designed for people of mixed abilities. We will have 3500 athletes taking part, which means it's going to be busy at the start, and at times, overtaking will be difficult. So please be courteous of your fellow athletes -not everyone is there for a PB and vice versa. **Getting in a realistic starting position is key to a smooth race :)**

# Maps & Route!

The route can be viewed here: <https://www.mapmyrun.com/routes/view/4639763950>

- 0-2k- We start to the rear of the race course. Setting off and running past the race course to the roundabout, turn right up to Bennetthorpe (and heading into town) we cross the road at Danum Road to move over to the left side of Bennetthorpe (you may see speedy runners coming back on the other side!) After the start has settled down and cleared, remember to keep left where you can to allow people to easily pass.
- 2-4k- All around the town centre. Here, you have a slight downhill past the council offices and then make a clockwise loop, before returning on the opposite side of the road to head back down Bennetthorpe. This is a bit less 'loopy' than before so should make for a quicker town centre section! (No pressure!)
- 4-6k- Making your way out of town and back down Bennetthorpe, you will turn left and head towards the Racecourse, past the Racecourse at 5.5k (so your half way point to let your fans know when you'll be coming past!)
- The aid station is at pretty much spot on 6k. This will be a lively & fun spot, as we have the aid station, plus runners returning back into the Racecourse at 9.5k. We moved the aid station to help add even more atmosphere to the race (and more music :)
- 6-8k -You then head up the A18 to the Armthorpe Water tower (not all the way to it) This is the only real climb of the course, with a very short 4% gradient. You then do a sweeping 180 degree turn, pick up speed, and head into the final 2k.
- 8-10k- This is potentially a very fast finish, with a downhill start and a flat, fast road leading you straight into the Racecourse. You turn left into the Racecourse, back where you started, and then it's an all out final 400m as you head past the Grandstand, spurred on by spectators and we try to shout out your race horse name!

## Spectators

We like to try to design our routes with a good balance of being great for the athletes, whilst also engaging the spectators.

Below, we recommend some key viewing areas for you to see your friends and family taking part in the event.

- Outside the main entrance- head down to the roundabout to see them set off. They then return again in front of the Race course (just before 6k) Lots of room to line the road and cheer them on!
- Up at the aid station at 6k (to the rear of the Racecourse)
- Once the athletes have passed you at the entrance, then you've plenty of time to head back into the Racecourse, and either get into one of the Grandstands, the balcony, or down next to the barriers to cheer them in!
- **DO NOT OPEN BARRIERS, OR GO THROUGH AREAS THAT ARE CLEARLY NOT FOR PEOPLE TO GO IN** We have 3500 people, on the day and we need to ensure their safety. That means we have to manage the flow of people to avoid any tripping or crushing risks. Areas are kept clear for medical and incidents response. We will be assertive in certain areas to keep people safe. Be patient to meet your runners- you will not be able to meet them straight after the finish. They will be sent out the rear of our athletes zone and you can meet up with them in the racecourse building or to the rear of this area. We recommend arranging a meet up point, away from the main finish area :)

# Presentations, Photos & Results

At the end of the event (around 11:30) we will be up at the finish area for prize giving and shout outs. If the weather is particularly awful, then the plans may change and we may bring presentations forward, or move inside if feasible.

Photographers will be down on the day, and the photos will be shared on Facebook, post event. We also encourage you to share your photos throughout the day on our main Facebook page.

As the event is chip timed, we will have the results ready straight after the event and again, we will update on Curly's Athletes Facebook page with the live link.

The week following the event, we will also e-mail out a summary, including a link to the results, any photos and anything else we think you might be interested in from the day. So don't worry, you won't miss anything !

Prize categories: 1st, 2nd and 3rd Male and Female overall.

And then we have winners trophies for each 5 year age group (p.s if you claim a 1,2,3 overall then the age group trophy rolls down :) ) Check out the live results link on the website before you leave and see if you've won your age group (or if your second see if 1,2,3 positions are in the same group as the award rolls down)

Finally a club team prize for the fastest mixed club (based on the 2 fastest male and 2 fastest female finishers... this takes a while to work out but will be ready for 11:30 :)

## Charity Friends

It's been a tough time for our charity friends ... one of our own in house favourite quotes is pretty fitting in this instance;

'running can't fix all the world's problems, but it's a great place to start'

100% of any donations you make and 100% of any fundraising goes straight to the charity ... if you didn't know, most large run organisers take a large % of this, which we think is a little wrong!

We also provide the charities with free running places, so you can run for them (with a minimum fund-raising amount, of which 100% also goes to them :) ) Your t-shirt purchases actually create 60 free spots alone :)

You can, of course, run for any charity you wish to, but we would love you to pick one of our amazing charity friends.
