Authorization for Automatic Withdrawal

I authorize the **Village of Mead** to withdraw funds from my designated financial institution to pay charges on my water and sewer account.

I understand and agree to the following terms:

- If sufficient funds are not available at the time of withdrawal, the Village reserves the right to **deny future payments** from this account.
- A **\$20.00 returned payment fee** will be assessed for any transaction returned due to insufficient funds.
- If non-payment results in the **disconnection of water/sewer service**, an additional **reconnection fee** will apply.
- Any fees charged by my financial institution due to insufficient funds are **my responsibility** and will be added to my account balance.

This authorization remains in effect until I provide the Village with **written notice of termination** and the Village has been given a **reasonable time to process** the request.
