Accessibility Features

Alton Maltings provides accessible facilities to help ensure classes and activities can be enjoyed by a wide range of participants. Step-free access is available to ground floor rooms, with a lift providing access to upper levels where required.

Accessible toilet facilities are available on both levels, and a hearing loop is installed in key areas. Our team is happy to discuss room layouts, seating, and access needs in advance to help create an inclusive and welcoming environment for all attendees.

What Our Guests Say:

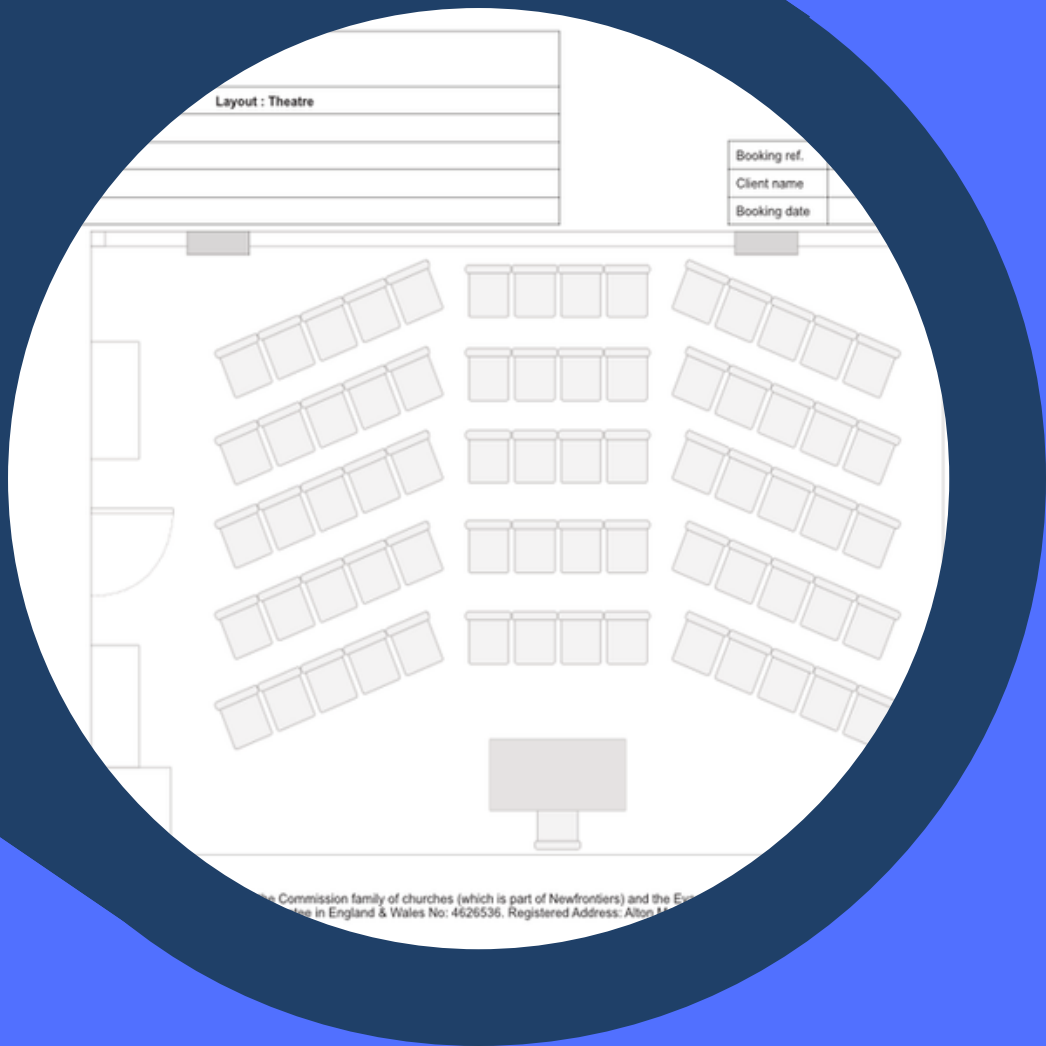

“We run classes here every week during term time and the consistency of the space makes a huge difference. The rooms are always ready, the environment is welcoming, and the support from staff means we can focus fully on our participants.”

“Alton Maltings has helped our group grow over time. Having a reliable, well-managed space has allowed relationships to form and a real sense of community to develop.”

“I’ve taken part in a number of activities here and have always found the space welcoming and accessible. It feels like a venue that genuinely supports those who use it.”

“We’re really grateful to the Alton Maltings team for making our session run so smoothly. Their friendly, helpful approach makes a real difference.”

Custom Room Plans

The custom plans offer a **clear overview** of Alton Maltings' flexible spaces. Allowing users to be in control of how they would like their room(s) laid out. This enables the hirer to make sure the space they have requested suits their specific requirements, enhancing the overall experience for every event hosted at the venue.
