Celebrating the Veterans of: WWII & Korea

DONATIONS

We celebrate the service and sacrifice of the members of the Armed Forces of America. There is no greater sacrifice than one laying down their life for another, protecting America. We salute, celebrate and open our arms to all the Veterans and active duty personnel serving this country. We feed them, offer entertainment and a chance to have fellowship with their brothers and sisters in arms. We ask nothing from our service people, but there is a cost to all we do. We need your help with a donation. This pays for the services and meals we provide. There is no profit to be made and any remaining funds are applied to the following year's celebration. We ask you to give all that you can. Thank You - The Armed Forces Weekend Committee.
