

“GW Women’s Basketball is thrilled to congratulate Kas Allen on her induction into the Arlington Sports Hall of Fame. Kas was a phenomenal player in the Buff & Blue, earning some of the Atlantic 10’s highest honors and putting up numbers that few have been able to reach in our record book. Kas was the first women’s basketball player to be inducted into the GW Athletics Hall of Fame, and her story is a great representation of leadership, hard work and dedication to both herself and her team. Congratulations, Kas, on another great athletic achievement.”

GW women’s basketball head coach Caroline McCombs
