

The Good News of Christmas

So why did we create this display for the people of our community? Some would say we are mad, obsessive, addicted..... But we want to create an avenue to tell the Good News of Christmas. The lights are nice but the good news is really wonderful.

.... the angel said to the Shepherds, “Don’t be afraid! I am here with good news for you, which will bring great joy to all the people. This very day in David’s town your Saviour was born—Christ the Lord! And this is what will prove it to you: you will find a baby wrapped in cloths and lying in a manger.” (Luke 2:10-12)

**They wanted a king. But what did they get?
A baby!!! Born into poverty. To most people
he was nothing special.**

**Have you stopped and considered why this
birth still impacts people over 2,000 years
later? The birth was significant to the people
2,000 years ago and to us all today.**

**But why is it significant? The answer is why
our family celebrates Christmas. Jesus was
sent by God to help us connect with Him. We
have been separated from God and the birth
of Jesus provides a way back. For over 2,000
years people have been finding their way
back to God through Jesus.**

***For God loved the world so much, that he gave
his only Son, that whoever believes in him
should not perish but have eternal life" (John
3:16).***

**You just have to ask God and He will do again
what He did back then and has been doing ever
since. He'll place his Son in your heart. And
He'll give you the gift of eternal life. Good
News! Great joy! Eternal life! God wants you
to receive this gift this Christmas.**

***So as you look at our lights remember that the
real joy of Christmas is not in these lights nor
many of the other ways we celebrate
Christmas; it is in the knowledge of how
significant and wonderful the birth of Jesus is.***
