

Advanced Automation Group

Specializing in motor controllers, harness and PCBA manufacturing. Engineering center in Michigan with multiple manufacturing locations in Asia. **Certified Minority Supplier.**

www.advancedautomationgroup.com

AllyGrow Technologies

Automotive engineering services with expertise in product development, design, smart manufacturing, and digitalization. Specialized core team services that can be executed onsite, offshore or in hybrid models to enhance or manage your engineering needs.

www.allygrow.com

Elumigen

Highly efficient LED lighting solutions for Industrial and Commercial rough service environments and OEM automotive lighting products. High-performance, long-lasting durability.

www.elumigen.com

Global Connection Co. LTD

A High Quality - Cost Effective Manufacturer of Wire Harnesses, Solenoid Valves & Cable Assemblies for Automotive, Medical & Industrial Markets. ISO9001/TS16949 Certified.

www.global-conn.com

Jasper Electronics

Producer of Switching Power Supplies; Product Ranges from 10 -Watt Power Supplies to 10kW Power Systems

www.jasperelectronics.com

Jiangsu Jomsen Auto Parts Co.

Manufacturer of high precision machined and cold forged components, including micro-finishing capabilities for automotive and industrial industry.

www.jomsen.com

Judd Wire & Cable

US Division of Sumitomo Electric; offering Flat Flex Cable (FFC), Micro Flex COAX (MFCX) & leads for automotive, rail/transit.

www.juddwire.com

Juken Technology Engineering Sdn. Bhd.

Plastic Insert & Injection Molding specializing in Automotive Pointers, Gears with up to 20 Micron Tolerances, Modular Assembly, VM Plating.

www.jukentech.com

Kore Industries Pte. Ltd.

Advanced molding & tooling supplier: 2K, 3K, multi-cavity and stack molds.

www.koreindustries.com

Micro-Air Technology

Eco friendly mfr. of plastic components using state-of-the art PVD technology for metallized surfaces or EMC shielding.

www.micro-Airtech.com

NTZ Nederland BV

Transmission oil pressure & suction filters supplied to major automotive OEMs and aftermarket channels.

www.ntz-filter.com

Pacer Technology Co.

Member of ECE Group. ISO-9001 Cert., specializing in power chokes & inductors.

www.pacer.com.tw/

Penchem Technologies

Manufacturer & Developer of adhesive, fillers, thermal interface & bio-based polymers for Automotive, Aerospace, Medical & Optoelectronics industries.

www.penchem.com

RongSu Electronics Co., LTD

TS 16949 certified, small stampings & plating company with state of the art presses, chemical platers and molding.

www.rongsu-zrdz.cn

Shanghai Tech True Electric Co., Ltd.

Manufacturer of Linear, Brushless, Micro Motors and Controllers for Automotive & Industrial Industries.
