Meet Stitch! This sweet little guy is only 12 weeks old and already showing what a wonderful family dog he'll be. He's playful, cuddly, and curious about the world around him, with plenty of puppy charm to spare!

Stitch is fantastic with other dogs, adores kids, and is doing amazingly well in his crate, he's the kind of pup who will settle right in with a family looking for both fun and snuggles!

He's still working on all the basics (as every puppy does!), but with his eagerness to please and a little patience, Stitch will grow into the best companion anyone could ask for!

In the words of Lilo, "Ohana means family. Family means nobody gets left behind or forgotten." Stitch is ready to find his ohana... a forever family who will love him unconditionally! Could that be you?
