- Health-checked, vaccinated, and microchipped (neuter and dental check scheduled for this upcoming week)

Sex: Male

Age: 6 years old

Meet Chester! This charming King Charles Cavalier is 6 years young and already stealing hearts everywhere he goes. He's friendly, gentle, and has the sweetest personality, one of those dogs who just seems to make everyone smile!

Chester is settling beautifully into his foster home and gets along great with other dogs. With his kind nature and easygoing spirit, he's the type of companion who's equally happy joining you for a stroll or curling up beside you for a cozy night in!

He's heading in for a neuter and dental check this week, and once he's all set, he'll be ready to start the next chapter of his life, with a forever family who will adore him as much as he adores them!

Could Chester be the missing piece to your family?
