

CEDAR

Mixed breed

- Dog-friendly and great with kids
- Sleeping through the night in her crate
- Health-checked, up to date on vaccines, microchipped

Sex: Female

Age: 8 weeks old (approx.)

Meet Cedar! At just 8 weeks old, this sweet girl is already showing what a wonderful companion she'll be. She's thriving in her crate, snoozing soundly through the night, and impressing everyone with her recall skills!

Cedar is fantastic with other dogs, loves kids, and is working hard on her potty training. With her playful, cuddly nature and big brain, she's the kind of puppy who will blossom into an amazing family dog!

She's ready to plant her roots in a forever home and grow into the loyal, loving companion she's meant to be!

Could your family be Cedar's happily-ever-after?
