Meet Shadow!

At 7 years old, this sweet terrier mix is calm, gentle, and happiest right by your side. True to her name, she'll quietly follow you around, always ready for cuddles and companionship!

She walks politely on leash, enjoys cozy naps, and loves being near her people. Shadow has lived in a quiet environment and would thrive in a calm home, ideally with someone retired or home often.

If you're looking for a gentle soul who just wants to be your loyal companion, Shadow is your girl!
