Meet Gemma!

At 6 years old, this adorable Shih Tzu mix is outgoing, full of personality, and always ready for attention! She loves keeping an eye on the world from her favorite perch on the couch and isn't shy about asking for pets!

Gemma enjoys walks and car rides, though she can be a bit of a puller on leash. With her eagerness to please (and her love of treats!), she's a quick learner.

She's lived in a calm, quiet environment and would thrive with someone who can give her plenty of love, snuggles, and a relaxed lifestyle!
