

MEET ARLO

Sex: Male

Age: Approx 1.5 years old

This good boy is Arlo! He is approximately 1.5 years old and a Great Pyrenees mix!!

Social with dogs and cats
Great on and off-leash!!
Shy with people at first but warms up quickly!
Loves children

Arlo is a kind, gentle soul. Not a mean bone in his body!

He is very timid when he first meets you but it only takes a minute before he's jumping for joy and your very best friend!

He loves kids and is good with cats (they are the boss!) and is very polite to walk on a leash.

Arlo is very timid with other dogs but has recently been going to the off leash park and is learning to make new friends. He absolutely loves to play!
