Introducing Sox! This 9-week-old bundle of love is full of puppy charm – playful, cuddly, and always up for an adventure!

Sox is getting the hang of potty training (rainy days slow him down a bit, but he's making great progress!) He sleeps in his kennel at night, and while he might whine a little at first, he settles down quickly. He's never had an accident in his crate and will usually let you know around 1–2 a.m. when he needs a potty break!

He's great with other dogs and likes kids, making him the perfect addition to a family home! Whether he's romping around the yard or snuggling in for nap time, Sox brings joy wherever he goes!

If you're looking for a loyal companion with a heart full of love and tiny paws that are ready to follow you everywhere, Sox is your guy!
