Meet Smores! This sweet boy is as lovable as his name... soft, squishy, and ready to melt your heart!

At just 9 weeks old, Smores is already showing off his smarts and eagerness to learn. He's done well with pad training and had access to a puppy-gated space with a kennel that he used freely. While not fully crate-trained yet, he's comfortable with a kennel setup and is off to a solid start!

Smores is great with dogs and adores kids, making him a fantastic fit for a family home. He's playful, curious, and always up for exploring or settling in for a cozy nap.

If you're looking for a loyal companion who's equal parts cuddly and clever, Smores might just be your perfect match!
