Meet the very handsome Ruger! We've had this special pup since mid-April, and we truly can't understand why, he's such a gem of a dog who just needs a little time to feel safe and loved! Once he trusts you, he'll be your loyal best friend for life!

Note From Foster:

Ruger is gentle, loving, and incredibly smart. He can be shy at first, but with patience and kindness, his goofy, affectionate side quickly shines through. He gets along beautifully with dogs of all sizes, is friendly with cats, and is wonderful with children. He's a quick learner who's mastered the house rules and is content to rest in his crate during the day and at night. Ruger would thrive in a home with another confident dog to show him the ropes and remind him the world is a safe place.

Ruger has waited long enough for the loving family he deserves. With a little patience, he'll give you a lifetime of loyalty, laughter, and love.
