Sex: Male

Age: approx. 10 weeks old

**Shepherd Mix** (likely to be large-very large in size)

Meet the pup who's as handsome as he is smart... Trooper! He's the total package and looking for his forever home now!

- Great with other dogs
- Loves kids
- Real life teddy bear
- Up to date on vaccines, dewormer, and is microchipped

## From the Foster:

Trooper is such a good boy! He's a smarty pants who knows the command "Crate". He is working on sit and down with visual commands alongside verbal! He gets along great with our selective dog and is easily corrected. He is great with kids (including a 2.5, 5, and 7 year old). He is good on leash either both collar or harness but he tires easily and will lay down. He has barely had any accidents and will go to the door to be let out and back in and will scratch at the door if you don't see him go towards it.
