Introducing Willy, one of the sweetest pups you'll ever meet!

This affectionate boy lives for love and connection. He's happiest when he's curled up beside you, soaking in all the cuddles he can get (in fact, we could barely get a photo without someone's hand in it because he always wants to be close!)

Whether it's nap time, playtime, or just hanging out, Willy brings warmth and joy to every moment!

If you're looking for a gentle, loving companion to fill your home (and your lap!) with affection, Willy is ready to meet his forever family!
