Exciting news! Little Miss Taz is officially on the search for her forever home! She came to us without a mama, so she's ready for adoption a bit earlier than most pups... and she is so ready to meet her people!

Taz is a fun-loving girl with the perfect mix of puppy playfulness and melt-into-your-arms sweetness. She's silly, curious, and always up for a good time... but she's just as happy to curl up for snuggles when the zoomies are done!

If you're looking for a little ray of sunshine who will make life fun, warm, and full of puppy kisses, Taz might just be your pup!
