Meet Valar! This sweet boy's name means "strength and courage", and was chosen by our friends at Pet Valu Okotoks, one of our amazing Golden Paw Sponsors!

And honestly? They couldn't have picked a better name! This sweet little guy may be small now, but his heart is huge and full of warmth and love!

He's playful, curious, and gentle with everyone he meets, a great mix of confidence and sweetness. Whether he's following you around the house or curling up for a nap, Valar is happy just to be near his people.

If you're looking for a loyal companion with a heart as strong as his name, Valar is ready to find his forever!
