Meet Cyrus!

Earlier this month, Cyrus was one of the dogs facing a cull in Northern Alberta. Thankfully, he was given a second chance and made his way safely into our care. We're so grateful he did, because this handsome guy has been an absolute gem!

Cyrus has continued to impress his foster family. He's an affectionate, easygoing dog who loves being around people and is always happy to soak up attention from anyone willing to give it.

He has excellent house manners, sleeps quietly through the night in his kennel, and has settled into home life with ease. Cyrus is also proving to be a fantastic companion out and about. He walks beautifully on leash, has excellent recall, and is very social with other dogs at the off-leash park!

His foster recently brought him to a ball game, where Cyrus was perfectly content to relax beside the field and watch the action. He happily welcomed visits from the children who stopped to pet him and thoroughly enjoyed being part of the fun.

Cyrus is the kind of dog who seems to fit in wherever he goes. Whether you're heading out for an adventure or spending a quiet evening at home, he's simply happy to be by your side.

After everything he's been through, we'd love to see Cyrus get the happily ever after he deserves with a family of his very own. If you're looking for a loyal companion who is equal parts sweet, cuddly, and easygoing, Cyrus may be the perfect addition to your home!
