Meet Holly, a soft, easygoing pup who's ready to settle into a home of her own this holiday season!

She's a naturally kind dog who gravitates toward people, especially kids! Holly is sweet, affectionate, and happiest when she can be close to her humans. She can feel a bit unsure when dogs rush up to her, but she's learning that the world is a safe place, and she's doing so with so much bravery!

Holly's hoping for a family who'll give her a warm place to land, some steady routines, and the love she's been waiting for!

If you're looking to add a truly lovely companion to your home, Holly might be your pup!
