Zola is a bright, affectionate little pup with the gentlest soul! She adores her people, gets along beautifully with other dogs, and truly thrives in social settings. At our most recent adoption event, she spent the entire time happily playing with other puppies and made friends wherever she went!

She's doing a great job with potty training and will happily go outside when taken out. She's still learning how to tell her people she needs to go, but with how smart and eager she is, she's catching on quickly! She catches on to routine quickly and is respectful in the house.

She loves being outside exploring, and while she's curious about the resident cat, she's gentle and playful with no signs of aggression, just happy puppy curiosity!

Zola is such an incredible little girl, and we can't wait to see her finally get the forever family she's been waiting for! If you're looking for a sweet, social, and loving companion, Zola just might be your perfect match!
