Roxy came to us from our rescue partners at Angels of Hope in Saskatchewan about a week ago and has been stealing hearts ever since!

Before rescue, Roxy had been living outdoors and sleeping under a crawlspace to stay warm. Since coming into care, she has settled beautifully into home life and has truly blossomed! She's thriving with the comfort, structure, and safety she never had before.

She is a bright, playful girl who enjoys being active and learning new things. Roxy takes cues from other dogs well and responds nicely to guidance, making her a wonderful companion for a family ready to continue her training!

This sweet girl has come so far in such a short time. Affectionate, loving, and people oriented, Roxy forms strong bonds and loves being part of daily life. She is ready for a forever home where she can keep thriving and be loved the way she deserves!
