Say hello to Skittles! This little girl is the perfect mix of playful energy and laid-back sweetness. She loves soaking up the sunshine in the grass, snuggling into any available lap, and curling up with the kids in her foster home for the coziest naps!

She's got a quirky side too... we like to call her "a cat in dog form" because she's just as happy lounging and observing the world as she is chasing after it!

At 11 weeks old, Skittles is still learning the potty-training ropes, but she's already mastered the art of winning hearts! If you're looking for a pup who brings sunshine, cuddles, and plenty of giggles, Skittles is your girl!
