Our sweet Celeste is back in our care and looking for her forever family!

This adorable girl from our Universe Litter is full of curiosity and puppy personality! Celeste loves exploring her surroundings, discovering new things, and spending time playing.

She's also off to a great start with her puppy skills! At just 10 weeks old, she's already sleeping through the night in her kennel without accidents.

Celeste is a happy, energetic little girl with so much love to give! She's ready to bring plenty of fun and puppy adventures to a family of her very own. Could that be you?
