Meet Willa, the ultimate snuggle bug!

Since coming into our care, Willa has thrived on routine, learning from her foster brothers and sisters. She has done great learning how to walk on leash, knows how to sit and lay down, and has never had an accident in the house! Willa is not crate trained, and has been left to free roam in her foster home with no issues.

Willa would do well in any kind of home, she has shown no aggression to dogs, cats or young children.
