

# JOURNEY

## Terrier x Wolfhound mix

(best guess, expected medium-large)

**Sex:** Male

**Age:** 10 weeks

(approx. as of Apr. 4th)

- Doing great with potty training and learning quickly
- Loves people and happiest close by his humans
- Great with kids and does well with other dogs
- Health-checked, vaccinated, dewormed, microchipped

Journey is exactly what his name suggests... a little explorer taking it all in! He's curious about the world around him and loves getting out for walks and adventures

He's incredibly people-focused and forms strong bonds quickly, always happiest when he's near his humans. At home, he's a total cuddle bug who will gladly soak up all the love you have to give.

Journey is still a young pup, learning the ropes and building confidence each day. With a bit of guidance and consistency, he's been growing into an amazing companion!

If you've been looking for a sweet, affectionate pup to grow alongside your family... Journey might just be your perfect match
