Meet Boo, the sweetest little spirit you'll ever meet!

True to his name, he'll sneak right into your heart before you even realize it. Boo is a total cuddlebug who loves nothing more than curling up close and soaking up all the love he can get! When he's not snuggling, you'll find him gently exploring the world around him with his tail wagging and his big puppy eyes full of wonder!

Don't let his name fool you... there's nothing spooky about this boy! The only thing he's haunting is your heart. If you're ready for a little boo-tiful love in your life, this sweet guy is ready to go home!
