Meet Finn, a lovable, sweet, and easygoing boy with the perfect blend of adventure and relaxation!

Finn's the kind of dog who's always up for a good walk, a drive to your favourite trails, or a game of fetch in the yard, but he's just as content to curl up beside you afterward and soak up all the love he can get!

With his big heart, calm nature, and love for both playtime and downtime, Finn is the perfect family dog! He gets along well with other dogs, and absolutely adores kids!

Finn has been a well-loved family member his whole life, but due to an upcoming move, he's now in need of a new forever home. In a sweet full-circle moment, Linda L., who originally fostered him back in Saskatchewan when he was just a pup, is helping him find his next perfect family through Moe Dog Rescue Mission!

If you're looking for a loyal, affectionate companion who fits seamlessly into family life, Finn is your guy!
