Meet Cyrus!

Cyrus is a very special pup and is great at winning people over almost instantly! He has a calm, gentle nature and a sweet personality that makes him an easy dog to love.

Earlier this month, Cyrus was one of the dogs facing a cull in Northern Alberta. Thankfully, he was given a second chance and made his way safely into our care. We're so grateful he did, because this handsome guy has been an absolute gem!

Cyrus has been settling in beautifully. His foster describes him as incredibly sweet, happy, and cuddly. He loves being close to his people and is always happy to soak up affection whenever it's offered.

He's been a wonderful house guest, sleeping quietly through the night in his kennel without a peep and showing excellent house manners. Like many dogs, Cyrus could use a little more practice on leash, but he's already proving to be a quick learner and is taking everything in stride.

After everything he's been through, we'd love to see Cyrus find the family he's been waiting for. If you're looking for a loyal companion with a gentle heart and a love for cuddles, Cyrus may be the perfect addition to your home.
