

Age: 8 weeks

Sex: Female

MEET MAPLE

She is a medium/large, mix breed.

Notes from her foster:

Maple is hands down one of the most beautiful puppies you'll ever see! This pretty girl has a wonderful personality to match her looks, too. She loves people and playing with other dogs, and has already discovered a love of fetch. She is quite clever and willing to please.

Walks amazing on leash

- Loves all people
- Well socialized with dogs
