

Age: 10 weeks

Sex: Female

# MEET MOCHA

She is a medium/large, Bully mix breed !  
She was found starving with many of her siblings & their mom in a home littered with feces . 10 Weeks.

Note from foster:

Mocha might be small in stature but she's big in personality! She's clumsy, goofy, and loves attention from her people, siblings, and other dogs. She loves to play fetch and is learning how to walk on a leash.
